GARY GERMANN FOR PORTER COUNTY PROSECUTOR · THURSDAY, MARCH 8, 2018

Experienced, effective, and dedicated to justice, I am committed to providing strong leadership for a secure Porter County. As an attorney who has worked diligently with all local departments to protect the citizens of Porter County, I see the need for a prosecutor who will decisively advocate for our community. I am committed to working across party lines to provide leadership in the office of Porter County Prosecutor and will work to combat the #1 problem facing our county, the heroin epidemic, head on.
